2019 Redland Yurara Art Society's Youth Art Awards

Message from the President

Six years ago it was my dream to provide an art competition for the Youth in the Redlands. For them to be acknowledged for their talent among other artists and their peers. From the early days to now it has grown and I want to thank the dedicated teachers who have seen the potential in their students and also the Sponsors who have supported the Youth Art Awards over the years.

Message from Paul Golle

The Yurra Youth Art Awards is an annual competition that aims to encourage the creative talents of young, aspiring and emerging Redland artists whilst providing a showcase for their works. It was initiated in 2012 and is open to all young people aged 12-21 years and is one of the richest youth art prizes in the Redlands. These aspiring young artists show case whats best about the Redlands, embracing the true spirit of community through the arts. I am so proud to be associated with this extraordinary event and encourage all young Redlanders to embrace the challenge of depicting life through the eyes of art.

Mentorship Program

Redland Yurara Art Society offers a free six-month Mentorship Programme to any student entering the Youth Art Awards, the idea being that the young artists will benefit from sessions supervised by professional artists and tutors in the company of other artists in our friendly art society's studio environment. Although the offer is for six months, due to school commitments over the weekends the time can be extended to the full year to suit the availability of the student. Times are 11am - 4pm on Sundays.

Our Tutor Robin Wilson is a professional artist and musician holding a current blue card. He has been teaching at Yurara for some years and is Vice President of the Society.

Each student's capabilities are assessed for skills that may require further development.

Any medium can be used, drawing on paper with pencils, charcoal, inks, pen & wash, painting with watercolour or pastels, as well as acrylics or oils on canvas.

Each student entering the Youth Art Awards has automatic free membership of Redland Yurara Art Society for one year following the October awards. If they enter the following year, this continues until the next year's awards until Year 12, after which Emerging Artists up to age 21 years of age pay a Student Fee of \$20 per year. Full Adult Membership is \$75 per year.

Membership entitles students to enter the members' monthly rotating exhibitions which gives them experience in a gallery, participate in workshops (there are fees for exhibition entry and workshops) and members' group sessions (free), and receive the monthly newsletter.

Interested parents and students can look up our website www.redlandyurara.com or contact Robin Wilson on 0412 056 990 musartman@gmail.com

2019 Judges

Robin Wilson

UK Dip [Teaching-London)

I am pleased to be judging the Yurara Youth Art Awards this year. Putting your art forward for critical analysis is never easy, so I commend all the entrants for their hard work and dedication. In order to judge an artwork objectively, I will be looking for creative use of materials, good composition, the artwork displays the skill and knowledge of the artist, originality, a well executed and resolved artwork. Good luck to all the entrants and I encourage you to keep making art.

Wendy Brown

BFA Griffith University, Dip Vis Art SBIT

It is a brave thing to have your artwork out in the public and where you wonder if it is good enough. As artists we have all been there. Judging is not easy and needs to be assessed objectively by the person doing it. It isn't a criticism but an evaluation of that person's ability in composition, technique, brushwork, colour and being able to think out of the box and to surprise us with something new at times which is how many of the art movements began and so much more, with the modern digital, graphic and video art available today. There will always be a place for the beginner artist as we all begin at that point.
